

Dhananjaya

Objective

Passionate Web and Mobile Application Developer with hands-on experience in building scalable applications using Python, Django, Flask, and Flutter and React. Seeking an opportunity to contribute my backend development, database management, and problem-solving skills to develop efficient and user-friendly applications.

Projects

SkillBridge – Online Skill Sharing Platform

Technologies: React, Node.js, WebRTC, Face-api.js

- Built a live learning platform for skill-based sessions with real-time interaction.
- Implemented video sessions and AI-based face detection for attendance marking.
- Designed role-based access and smooth session scheduling system.

AI-Based Pneumothorax Detection and Severity Estimation

Technologies: Python, U-Net & EfficientNet-B4 Models, OpenCV

- Built a deep learning model for Pneumothorax detection and segmentation from chest x-rays.
- Implemented mask-based severity estimation to classify cases as mild, moderate, or severe.

ServeHub – Home Service Booking App

Technologies: Flutter, Firebase

- Built a multi-role Flutter app for customers and service providers.
- Integrated Firebase for real-time data sync and authentication.
- Included 6+ service categories and smooth booking management.

GameZone – Gaming Website

Technologies: Python, HTML, CSS, Flask, SQLite

- Created an interactive gaming site with multiple games and review features.
- Integrated a simple UI for rating, reviewing, and exploring games

Educational Background

Master of Computer Application

NMAM Institute of Technology

2024-2026

CGPA: **8.57(2025)**

Bachelor of Computer Application

Govt. First Grade College and Center for P.G Studies Thenkanidiyoor, Udupi

2021-2024

CGPA: **8.17**

SSLC(Class X)

St. Francis Xavier High School, Udyavara, Udupi 574118

April-2019

Percentage: **88.8%**

Skills

Technical Skills

- **Programming Languages:** Java, Dart, Python, JavaScript, HTML, CSS, C, React
- **Frameworks:** Flutter, Django, Flask
- **Databases:** Firebase, MySQL, SQLite, MongoDB

Tools

- Visual Studio Code
- GitHub

Languages

- English (Fluent)
- Hindi (Fluent)
- Kannada (Proficient)
- Tulu (Proficient)

Certification

- MongoDB - The Complete Developer's Guide 2024
- Introduction to Mobile App Development

Additional Activities

- Participated in INTERNATIONAL CULTURAL JAMBOREE held at Alvas Education Foundation Moodubidire, Dakshina Kannada, Karnataka from 21 – 27 December 2022.
